

Remarks

The Examiner has indicated claims 23-25 would be allowable if rewritten in independent form. Instead, applicants have amended the independent claims to include the features of claims 23-25. Applicants submit all of the claims in his case are now in condition for allowance.

It should be noted that applicants do not agree with the rejection of the claims presented by the Examiner, but have amended the claims in order to expedite issuance of the present application. The amendment should not be construed as an admission by the applicants as to appropriateness of the rejection.

In view of the above, all of the claims in this case are believed to be in condition for allowance, notice of which is respectfully urged.

Respectfully submitted,

ROSSI, KIMMS & McDOWELL LLP
